AANA Journal

Volume 46
1978 Index of Subjects and Authors

A

Abdominal aorta, haemodynamic changes due to clamping of (abstract), 60

Abstracts, 56, 169, 299, 420, 537, 539, 649

Acupuncture, comparison of the effects of on post-operative dental pain (abstract), 299

Adamski, Joseph A.: *Uncovering Preoperative Anxiety*, 615

Airway obstruction, endotracheal tube due to Xylocaine® jelly, 44

Alcoholics, need for halothane supplementation of N_2O-O_2-relaxant anaesthesia in (abstract), 62

Allen's test, in detection of collateral circulation, 512

American Association of Nurse Anesthetists: Council on Accreditation, 86, 203, 325, 453, 573, 637; Council on Nurse Anesthesia Practice policy statement on regional anesthesia, 215; CRNAs to get professional, educational update at 45th Annual Meeting in September, 397; involvement through participation, 362; a new chapter in AANA history, 490; officers, 2, 102, 214, 352, 480, 592; a proposal for the restructuring of the AANA, 105; schools on probation, 86, 203, 325, 453, 573, 679; survey of nurse anesthesia educational programs/schools: 1977, 260; survey of our *Journal* readers, 593; think about it . . . 'the year of the nurse,' 5

American Society of Anesthesiologists Rovenstine Lecture—1976: anesthesia and surgical care (abstract), 169

Aminophylline, in the asthmatic and non-asthmatic patient, 389

Anesthesia, conduction, 237; delirium tremens in a patient under, 408; fluidics and pneumatics principles and applications in (abstract), 59; for the obese patient, 130; in total hip replacement (abstract), 537; liver function chemistries after enflurane and narcotic-N_2O, 507; management of Harrington rod-spinal fusion, 35; nursing audit, 125; porphyrias, 271; swelling of parotid glands in anesthesia mumps, 41

Anesthesia mumps, swelling of parotid glands following anesthesia, 41

Anesthetic management, of Conray® toxicity, 627

Anxiety, uncovering preoperative, 615

B

Belladonna premedication, racial mydriatic response to (abstract), 649

Blood loss, in total hip replacement (abstract), 537

Book Reviews: Advance of American Nursing, 418; Anaesthesia for Cardiac Surgery and Allied Procedures, 297; Clinical Anesthesia Procedures of the Massachusetts General Hospital, 418; Drugs and Nursing Implications, 419; Ethical Dilemmas and Nursing Practice, 536; General Systems Theory Applied to Nursing, 636; Human Needs and the Nursing Process, 636; Introduction to the Practice of Anesthesia, 536; Local Anesthesia, 167; Manual of Anesthesia, 54; Medicaul Instrumentation and Electrical Safety: The View from the Nursing Station, 167; Pain Control in Obstetrics, 297; Principles and Practice of Obstetric Anaesthesia, 636; Quality Assurance for Patient Care: Nursing Perspectives, 536

Bronchodilators, in the asthmatic and non-asthmatic patient, 389

C

Calendar of Events, 80, 192, 318, 441, 555, 671

Cannulation, right internal jugular vein for central venous pressure, 144

Cardiopulmonary bypass, awareness during, 373

Cardiovascular responses, to nitrous oxide during enflurane and oxygen anesthesia (abstract), 539

Carr, Alfred K.: *A Primer on Reading Research*, 286

Case Reports, 44, 156, 408, 517, 522, 627

Catania Andrew F.: *Ulceration of the Nasal Ala and Dorsum Secondary to Improper Support of the Nasoendotracheal Tube*, 282

Chipas, Anthony J.: *A Study of Enflurance Biotransformation and Fluroide Ion Nephrotoxicity*, 622

Chrow, Lynn: *On the Use of Selected Bronchodilators in the Asthmatic and Non-asthmatic Patient*, 389

Classified Advertising, 79, 191, 316, 440, 554, 670

Codeine, comparison of the effects of on postoperative dental pain (abstract), 299

Conduction anesthesia, of the lower extremity, 237

D

Dayton, Robert: *Cannulation of the Right Internal Jugular Vein for Central Venous Pressure—A Review*, 144

Delirium tremens, in a patient under anesthesia, 408

Doplette-10®, used in detection of collateral circulation, 512

E

Editorial, 5, 105, 215, 362, 490, 593

Eikenbary, Karen Frances: *Pyloric Stenosis: Its Anesthetic Management and a Case Study*, 517

Endotracheal tube, airway obstruction due to Xylocaine® jelly, 44; simple placement method for verifying (abstract), 63

Enflurance biotransformation, a study of, 622

Enflurane, liver function chemistries after, 507

Ephedrine sulfate, in the asthmatic and nonasthmatic patient, 389

Excretory system, preoperative assessment, 603

F

Fazadinium, rapid intubation with (abstract), 421

Finger photo-plethysmography, in detection of collateral circulation, 512

Fluoride ion nephrotoxicity, a study of, 622

Foreign object, a case report, 156

Fox, J. W. C.: *OR RF—The Second Factor*, 501

G

General and Subscription Information, 2, 102, 214, 352, 480, 592

H

Haag, George P.: Uncovering Preoperative Anxiety, 615

Haanaes, Hans R.: *Ulceration of the Nasal Ala and Dorsum Secondary to Improper Support of the Nasoendotracheal Tube*, 282

Harrington rod-spinal fusion, anesthesia management for idiopathic scoliosis, 35

I

Idiopathic scolios, anesthesia management of Harrington rod-spinal fusion procedure for, 35

IMV (intermittent mandatory ventilation), 384

Information for Authors, 20, 124, 229, 365, 493, 598

Innovar®, administration of by microdrip technic (abstract), 420

Intermittent mandatory ventilation, compliance loss in patients on, 31

Isoproterenol, in the asthmatic and nonasthmatic patient, 389

J

Jacobson, Barbara: *Transient Swelling of the Parotid Glands Following General Anesthesia—"Anesthesia Mumps"*, 41

Joyce, Thomas H.: *Choosing a Vasopressor for the Pregnant Patient*, 265

Jugular vein, cannulation of for central venous pressure, 144

K

Ketamine, administration of by microdrip technic (abstract), 420

Kim, Choonja Lee: *Awareness during Cardiopulmonary Bypass*, 373

Kucera, William R.: see Legal Briefs

L

Larter, Robert A.: *Anesthesia and the Porphyrias*, 271

Legal Briefs: Associations as unions, 47; Individual accountability, 630; Is hospital medical staff membership in your future? A little crystal ball gazing . . . , 411; Just an innocent slip of the tongue . . . , 159; A prescription for what ails you, 529; Strange case of informed consent and the standard of care, 291

Lidocaine, human hepatic blood flow relation to systemic circulation during intravenous infusion of (abstract), 56

Liver function chemistries, after enflurane and narcotic-N_2O anesthesia, 507

Loving, Charles D.: *A Case Report: Foreign Object or Radiographic Artifact?*, 156

M

Maree, Sandra M.: *Preoperative Assessment: The Excretory System*, 603

Mathewson, Hugh S.: *Compliance Loss in Patients on Intermittent Mandatory Ventilation*, 31

Myocardial damage, evaluation of in patients undergoing coronary-artery bypass procedures with halothane-N_2O anesthesia and adjuvants (abstract), 173

N

Narcotic-N_2O, liver function chemistries after, 507

Nasoendotracheal tube, improper support of, 282; ulceration of the nasal ala and dorsum, 282

Nelson, Donald S.: *A Case Report: Airway Obstruction of an Armored Endotracheal Tube due to Xylocaine® Jelly*, 44

News & Views, 21, 122, 233, 368, 496, 599

Nicholson, Carolyn J.: *Choosing a Vasopressor for the Pregnant Patient*, 265

Nitrous oxide, cardiovascular responses to during enflurane and oxygen anesthesia (abstract), 539

O

Obese patient, anesthesia for, 130

OR RF—the second factor, 501

P

Palmar arcade, detection of collateral circulation, 512

Parotid glands, transient swelling of following tonsillectomy, 611

Parsons, Jack N.: *Compliance Loss in Patients on Intermittent Mandatory Ventilation*, 31

Placement Service, 64, 176, 302, 423, 541, 653

Porphyrias, anesthesia and, 271

Pregnancy, choosing a vasopressor for, 265

Preoperative patient, emotional stress of, 27

Pugsley, Ronald S.: *The Recognition Process: A Case Study of the AANA*, 22

Pyloric stenosis, anesthetic management, 517

R

Racemic epinephrine isoetharine, in the asthmatic and non-asthmatic patient, 389

Radiographic artifact, a case report, 156

Rapp, Terry L.: *OR RF—The Second Factor*, 501

Reading research, 286

Reese, Charles A.: *Conduction Anesthesia of the Lower Extremity—A Technique and Literature Review*, 237

Reinberg, Dorothy M.: *Autotransfusion in the Surgical Management of Trauma and Vascular Disease*, 151

Rennie, Thomas: *Ulceration of the Nasal Ala and Dorsum Secondary to Improper Support of the Nasoendotracheal Tube*, 282

Respiratory function, clinical assessment of (abstract), 650

RF, the second factor, 501

Ronk, William G.: *Cannulation of the Right Internal Jugular Vein for Central Venous Pressure—A Review*, 144; *Liver Function Chemistries After Enflurane and Narcotic-N_2O Anesthesia*, 507

S

Scoliosis, anesthesia management of Harrington rod-spinal fusion procedure for, 35

Snively, Douglas: *A Case Report: Airway Obstruction of an Armored Endotracheal Tube due to Xylocaine® Jelly*, 44

Stagen, Jacqueline: *An Approach to Anesthesia for the Obese Patient*, 130

Stewart, Randy; *Subglottic Stenosis: A Case Report and Discussion*, 522

Stroup, Dennis: *IMV: Updated*, 384

Subglottic stenosis, 522

Surgery, outpatient, an alternative to hospitalization, 135

Survey of Nurse Anesthesia Educational Programs/Schools, (1977), 260

Suxamethonium, rapid intubation with (abstract), 421

Swanson, John H.: *Detection of Collateral Circulation of the Palmar Arcade: Comparison of Results with Use of the Doplette-10®, the Modified Allen's Test and Finger Photoplethysmography*, 512

T

Temo, James: *IMV: Updated*, 384

Temples, Randel K.: *The Anesthesia Management of Harrington Rod-spinal Fusion Procedure for Idiopathic Scoliosis*, 35

Terbutaline, in the asthmatic and non-asthmatic patient, 389

Tonsillectomy, swelling of parotid glands following, 611

Totas, Mary L.: *The Emotional Stress of the Preoperative Patient*, 27

Trauma, autotransfusion in the surgical management of, 151

U

Upham, Waldron: *Delirium Tremens in a Patient Under Anesthesia*, 408

V

Vail, J. David; *Anesthesia Nursing Audit? Yes!*, 125

Vascular disease, autotransfusion in the surgical management of, 151

Vasopressor, for the pregnant patient, 265

Vorhies, Paul E.: *Transient Swelling of the Parotid Glands Following Tonsillectomy*, 611

W

Wagner, Durand W.: *OR RF—The Second Factor*, 501

Washington Scene, 50, 162, 294, 414, 533, 633

Weeks, Duke B.: *Detection of Collateral Circulation of the Palmar Arcade: Comparison of Results with Use of the Doplette-10®, the Modified Allen's Test and Finger Photoplethysmography*, 512

Williamson, Kenneth: see Washington Scene

Wright, William H.: *Outpatient Surgery—An Alternative to Hospitalization*, 135

XYZ

Xylocaine® Jelly, airway obstruction of endotracheal tube due to use of, 44
